SCHSB Code of Ethics

Members of SCHSB are held to high standards in their activities within the association and with breeders, buyers, members, and other interested contacts. As a member I/we pledge to the following code of ethics.

I/we will:

- Use moral integrity in activities related to sheep, farm, and business.
- Practice a high standard of animal care and management.
- Maintain orderly records and clear animal identification to assure correct information to register sheep.
- Register animals which are sound and meet SCHSB breed standards.
- Conduct all sales with fairness and disclosure, including both willingness and commitment to resolve or replace animals or money for any animal that fails to meet with the sale agreements or is rejected for registration or transfer.
- Guarantee, to the best of my knowledge, that all sale animals are in good health; free of diseases and genetic defects.
- Be prompt in registering and transferring all sheep sold or exchanged.
- Educate customers, members, and others about the benefits of owning St. Croix sheep, SCHSB activities and resources and the place of the breed in the national sheep industry.
- Support the long-term preservation and improvement of the breed.
- Support and uphold the SCHSB by-laws and breed standards.
- Respect fellow SCHSB members with courtesy and lack of division

I/we have read and agree to the code of ethics and will work to promote and support SCHSB.
